## PROFESSIONAL EXPERIENCE

### Graphics Design

2015 - PRESENT

I can proficiently create graphics for use in both digital and printing media, and can work with both vector and pixel-based designs. I strategize with and help businesses to develop their visions and build brands by designing visual elements such as logos, flyers, letterheads, brochures, advertisements and so on. I am highly skilled at using the following software:

- Adobe Photoshop
- Adobe Illustrator
- Adobe After Effects

### Web Design

2016 – PRESENT

I have over 4 years of experience in web designing coupled with knowledge of programming languages such as HTML, CSS, PHP. I am proficiently skilled in WordPress Design and Development, Web Server Setup, Hosting and File Management, Internet protocols and security (SSL, HTTPS, FTP), Frontend Design and Backend Integration.

### Academic Tutor

2018

I lectured on basic and advanced Biology to approximately 30 auxiliary nurses and assisted the nurses in preparing for routine and standardized tests, including state certification exams.
